

Classroom Assistant Volunteers – Various classes

We have several vacancies for Classroom Assistants to support our students with their learning. At Glenroy Neighbourhood Learning Centre we have digital literacy courses, language and literacy programs, health and well-being activities, and opportunities for young people.

We are looking for people with a friendly and positive attitude who are interested in volunteering to help support students in the following classes:

- Computers for Beginners
- Literacy and Numeracy for students with mild intellectual disabilities
- Homework club for secondary school students (after school hours)
- English as an Additional Language

If you have a genuine interest in offering your time to support students in these classes, we would love to hear from you.

Please send through a resume with a brief cover letter outlining your interest in volunteering at Glenroy Neighbourhood Learning Centre to nhcoordinator@glenlink.vic.edu.au

Highly desirable:

- Teaching experience
- Digital literacy skills
- The ability to speak an additional language

A Working with Children Check and Police Check is required for this position.
