

Glenroy Gardening Group

Learn to grow seasonal veggies while enjoying some time outside in a beautiful garden with the Glenroy Gardening Group! Each session is run by the knowledgeable Maggie Kidd, who will not only teach the group the best methods and practices for growing seasonal vegetables but also propagation techniques, composting and Bokashi practices, weed control, garden safety/tool maintenance and pruning.

When: Wednesdays (commencing 28th July) 10:30am - 12:30pm

Where: Glenroy Neighbourhood Learning Centre (5b Cromwell Street, Glenroy)

Fee: \$10/session
